

AUTHOR. SPEAKER. RELATIONSHIP COACH. CO-FOUNDER OF COMPLETE CHOCOLATE COUPLES

*Steven Anthony King*

IT'S REALLY GOOD TO

*See You*

MEDIA KIT

# BIO

A native New Yorker, Steven Anthony King is a public speaker, certified relationship coach, talk show host, co-founder of Complete Chocolate Couples, and the author of *It's Really Good to See You*. With a corporate background in sales, sales training, and executive sales management that spans over three decades, his purpose is to educate, motivate, and inspire others through sharing the victory of his many life experiences. He lives by three simple words: Purpose, Positivity, and Perseverance. He is a devoted husband, proud father of three, and grandfather of one.

*"I give so much because I've been given so much."*

– Steven Anthony King

# THE BOOK

What so many take for granted, Steven Anthony King had struggled with his entire life. From the age of seven to fifty-one, he had amassed ten eye operations and had lost sight in his right eye. Then, from 2017 to 2018, four more eye operations, temporary blindness, and the threat of permanent blindness pushed Steven's faith and perseverance to the limits.

Amazon's #1 Bestseller, *It's Really Good to See You*, takes you on a suspense-filled journey, which forces Steven to rely on his strong belief in prayer, meditation, affirmation, and a will to never give up.

With the support of his loving wife, family, and friends, Steven manifested the only outcome acceptable to him: saving his sight by any means necessary.

After reading this book, the phrase: "It's really good to see you," will never mean the same to you again.

## **What so many take for granted, Steven Anthony King had struggled with his entire life.**

May 15, 2021, Cliffside Park, New Jersey—What would you do if you were suddenly faced with the possibility of losing your eyesight? Can you imagine how different the world would be for you? Would you grieve the impending loss, or would you use the situation as an opportunity to truly learn to live?

In the Amazon #1 Best Seller, *It's Really Good to See You* (ISBN: 978-1-7367838-0-1, Paperback, \$14.95), Steven Anthony King shows us why we can't afford to treat "the little things" in life as insignificant. Steven shares the intimate details of his yearlong journey of almost losing his eyesight, and how he gained a deeper sense of love, giving, and compassion in the process. By leaning on his faith instead of fear, Steven was not only able to manifest his own healing, but he was also able to even help heal others in the process.
