

# IT'S REALLY GOOD TO SEE YOU BY STEVEN ANTHONY KING

“If you're ready to tap into your greatness and need an example of faith, courage, and conviction,  
*It's Really Good to See You* is the book for you.”

—LES BROWN, WORLD'S LEADING MOTIVATIONAL SPEAKER AND BESTSELLING AUTHOR

What so many take for granted, Steven Anthony King had struggled with his entire life. From the age of seven to fifty-one, he had amassed ten eye operations and had lost sight in his right eye. Then, from 2017 to 2018, four more eye operations, temporary blindness, and the threat of permanent blindness pushed Steven's faith and perseverance to the limits.

Amazon's #1 Best Seller, *It's Really Good to See You*, takes you on a suspense-filled journey, which forces Steven to rely on his strong belief in prayer, meditation, affirmation, and a will to never give up.

With the support of his loving wife, family, and friends, Steven manifested the only outcome acceptable to him: saving his sight by any means necessary.

After reading this book, the phrase: “It's really good to see you,” will never mean the
